High School	-2023
Happy Child High School	2009
Primary School	- 2018

HOBBIES

Listening Music	Playing Cricket
Reading Book	Going Gym

PROJECTS

Geeta Law College [Revamp]

- Rewritten version of official website for Geeta Law College, Panipat.
- Optimised website speed and overall template

My Portfolio Website

- Developed and curated a comprehensive portfolio website showcasing skills, achievements, and projects.

Mess Management and User Rating System

- A Complete Mess Management System made by the help of Bootstrap and PHP.
- On which mess master will upload the daily menu according to meals and that menu will be shown to the user on the basis of mealtime.
- Then user can rate the items as per their choice. These all ratings will produce a daily, weekly and monthly report for the admin.

Jaglan Jewelers

- Developed 'Jaglan Jewelers,' a full-stack e-commerce website using Django, featuring seamless user authentication and facilitating buying and selling of jewelry.
- Implemented a comprehensive platform for a dynamic online marketplace experience.
